# COMMUNICATION SKILLS

- Very good in teamwork, acquired, not only during these three years of education (EQF Level 4), where I had the opportunity to work with other colleagues, in several projects related to the area, but also, as a volunteer in non-profit associations.
- Good contact skills with children acquired through a year as a catechist.
- Good communication skills.

## CERTIFICATION IN COMPUTER SYSTEMS MANAGEMENT AND PROGRAMMING (EQF LEVEL 4)
SEPTEMBER 2017 – JUNE 2020

School: Instituto de Educação Técnica (INETE), Lisboa (Portugal)
 Main subjects:
- Programming and Computer Systems,
- Computer Networking,
- Computer Architecture.

Improvement of several skills related to my professional area, such as the development of software applications, web applications, maintenance and implementation of databases, computer maintenance and computer systems analysis.

I had the chance of being part of projects that made it possible to increase consistently my technical skills related to my profile and allowed me to go further, directing my work to the professional environment.

During the course, I attended Curriculum Flexibility and Autonomy (DAC) classes, where I developed my soft skills such as teamwork and working methods.

# JOB EXPERIENCE

Developer at Arquiconsult - Internship
